## INFORMATION SHEET FOR OUTPATIENT FULL ANESTHESIA (GENERAL ANESTHESIA)

Dear patient,

A surgical procedure under anesthesia is planned for you.

### PLEASE NOTE THE FOLLOWING BEFORE AND AFTER THE PROCEDURE:

- Please arrive with empty stomach for the surgery appointment; do not eat or smoke for at least 6 hours before the operation, and don't drink anything 2 hours before surgery
- Avoid taking painkillers containing acetylsalicylic acid (ASS/Aspirin).
- Please bring three completed and signed copies of the anesthesists form attachments.
- The costs for the anesthesia will be settled directly with the anesthesiologist.
- For private patients, billing with the anesthesiologist will be done directly with the anesthesiologist.
- Until the following day, you will not be fully legally competent and should avoid driving
- You may only leave the practice accompanied by an adult.

If you have any questions, please feel free to contact us by phone.

We wish you a successful treatment and are pleased that you have opted for a pain-free and anxiety-free treatment under full anesthesia.
